

Santa Tissue Box Cover Crochet Pattern

For this project I used:

Red yarn (8 ply)
Size H Crochet Hook
Square tissue box
Black belt (from thrift store)
Faux fur (from dollar store santa hat)
Hot Glue

Rnd 1: Chain 18, join with Sl St creating a loop.

Rnd 2: Ch 2, 2 dc in loop. *Ch 2, 3 dc in loop. Repeat from * around 7 times. Ch 2, join with Sl St in first Ch 2. Total shells will be 8.

Rnd 3: Sl st 3 times to get to space. Ch 2, 2 dc in sp; ch 2, 2 dc in same space. (creates corner) *Ch 1, 3 dc

in next space, ch 1. 3 dc in next space, ch 2, 3 dc in same space (corner). Repeat from * around 2 more times. Ch 1, 3 dc in next space, ch 1, sl st into first shell. You will now have a square.

Rnd 4: Sl st 3 times to get to first space. Ch 2, 2 dc in sp; ch 2, 2 dc in same space. (corner) *Ch 1, 3 dc in next space, ch 1, 3 dc in next space; ch 1, 3 dc in next space, ch 2, 3 dc in same space (corner). Repeat from * around 2 more times. Ch 1, 3 dc in next space, ch 1, 3 dc in next space, ch 1, sl st into first shell.

At this point, your square should be about the same size as the top of your tissue box.

Rnd 5-14: Sl st 3 times to get to first space. Ch 2, 2 dc in sp; *ch 1, 3 dc in next space. Repeat from * ch 1, sl st into first shell.

Slide your crocheted cover over the box to ensure that it fits properly, and then tie off.

Now we get to make Santa look fancy! Take the dollar store belt and wrap it tightly around the box, measuring where the new belt buckle hole should be. Punch a hole in the belt where the buckle will latch, and then trim the excess length. Buckle the new smaller belt and slide it over the covered tissue box into place.

Cut about 1 " wide strip of faux fur from the bottom of a dollar store santa hat.

Measure it to fit around the circumference of the box, and then hot glue it in place over the bottom row of crochet.

And now your box of tissues is dressed up and ready for the holidays!!
