This week, I created an easy crochet pattern for ZigZag stitch hand towels using cotton yarn. The stitch looks complicated, but you will be surprised how easy it is to create. This is a great project for a beginner in crochet who has mastered the double crochet.

Use a tapestry needle to weave in the ends.

Cotton yarn can be found at your local craft store or yarn shop. I highly recommend cotton over acrylic or wool for this project as it is easily washed and absorbs well. Perfect for a face cloth or hand towel!
