General Pattern Instructions:

2. Cut each fabric block background 10-1/2" x 14-1/2".
3. Use your favorite applique method to create the pieces of the design, using the full size templates included in the pattern. Please note that some applique methods will require reversing the templates.
4. Each template piece is numbered to match the coinciding piece on the drawing. They are numbered in order of assembly. (If you are doing traditional applique, be sure to add a seam allowance to your template pieces).
5. Once all pieces are sewn in place, add embroidery to finish.

General Embroidery Instructions

Use two strands of embroidery floss.

Suggested embroidery stitches will be covered in more detail in each block instruction, but include the following:

Split Stitch, and Chain Stitch

Optional Fabric Painting

Optional fabric painting details are included. To add to an antique look and create shadows and depth in the design, you can use fabric paint. When adding paint, be sure to use a light hand. Just a light touch of color can give your pattern a 3D look.
