

Aligned Bobble Stitch Instructions

Row 1: Chain 1, sc in the first stitch, and then sc across. Chain 1 and turn.

Row 2: Make a sc in first 2 stitches. *In next stitch (dc5tog): Start with the first partial dc: yarn over, insert hook into the stitch, yarn over, and pull up a loop. Yarn over and pull through the first 2 loop. (2 loops will remain on your hook). Repeat for four more partial double crochets into the same stitch: yarn over, insert hook into the same stitch, yarn over, pull up a loop, yarn over, and pull through two loops. Do this three more times until you have 6 loops on your hook. To close your bobble, yarn over and pull through all 6 loops at once.

Work a sc into the next stitch to secure the bobble and push the bump outward. Repeat from *across. Chain 1 and turn.

Rows 3-8: Repeat rows 1 and 2. This will create 4 rows of bobbles.

(Adjustment Row) We will make an adjustment row in the next round using the color of the next round. (Stay tuned)!
