

Bean Stitch Instructions

(Bean Stitch): insert hook, yarn over, pull up a loop; yarn over, insert into same space, yarn over and pull up a loop. Repeat 2 more time until there are 6 loops on the hook. Yarn over and pull through all 6 loops. Chain 1 to lock.

Row 1: Chain 1. Sc in each stitch across. Chain 1 and turn.

Row 2: Sc into first stitch. Chain 1 and skip next stitch. Create a Bean Stitch into the next stitch. *Skip next stitch and create a Bean Stitch in the following stitch. Repeat from *across. End with a sc in the last stitch. Chain 1 and turn.

Rows 3 and 4: Sc into first stitch. *Work bean stitches directly into the opening next to the chain-1/bean stitch from the previous row. Repeat from *across. Finish row with 1 sc in last stitch. Chain 1 and turn.

(Adjustment Row) We will make an adjustment row in the next round using the color of the next round. (Stay tuned)!
