General Applique Pattern Instructions:

1. Each block pattern includes an actual size drawing of the finished block. Use this as a basis for putting together any applique on your block.
2. Cut and assemble each fabric block background as instructed.
3. Use your favorite applique method to create the pieces of the design, using the full sized templates included in the pattern. **NOTE: Some applique methods require reversing the templates. (Templates are not reversed).**
4. Each template piece is numbered to match the coinciding piece on the drawing. They are numbered in order of assembly. (If you are doing traditional applique, be sure to add a seam allowance to your template pieces).

5. Once all pieces are sewn in place, add embroidery to finish.

TIP: For ease of assembly, trace the pattern onto a clear sheet protector and use it to help position your applique pieces

General Embroidery Instructions

Use three strands of embroidery floss.

Suggested embroidery stitches will be covered in more detail in each block instruction, but include the following:

Split Stitch, and Chain Stitch, French Knots and Satin Stitch.

Final Dimensions: 58" x 64"
